Note that this construction project will be covered by a Contractor Controlled Insurance Program (CCIP) paid for by PWB. A CCIP is a centralized insurance program under which the General Contractor [PWB] purchases insurance on behalf of itself and all CCIP-eligible subcontractors of any tier for all the on-site labor performed by each enrolled subcontractor. The CCIP replaces each subcontractor's individual insurance with the coverages provided by the CCIP: Workers' Compensation, General Liability and Umbrella. A brief outline of coverages provided is included in this package. The Program is administered by AIMS Insurance Program Managers, Inc., based in Scottsdale, AZ.

ID – Pacific West Builders, Inc. RCE-875
NV – Idaho Pacific West Builders, Inc. 0061006
AZ – Pacific West Builders, Inc. dba Idaho Pacific West Builders, Inc. ROC209338

Enrollment in the CCIP program will be mandatory for all eligible subcontractors providing labor at this jobsite. We have provided a *CCIP Insurance & Procedures Manual for Subcontractors* on our website at [<http://www.tpchousing.com/contractors/>] explaining the details of this program, **Or call the AIMS Service Team at 602-635-4840.**

Submit your bid as a gross bid with your own insurance coverage included. Do not exclude insurance from your bid. If selected, you will need to enroll in the CCIP following the process described in the manual, using the Program's on-line administrative system [CAP]. Once you have entered the required information about your insurance policies into CAP, it will calculate the appropriate deduction from your contract bid to account for the elimination of coverage under your policies. This amount will be the minimum deduction from your total contract cost. A final deduct amount will be determined once your work on the site is complete. The deduct represents an expense you will not incur, and allows PWB to pay the full cost of the CCIP.

Please contact us if you have any questions regarding the plans, bid procedures or insurance requirements for bidding this Project.

This is not a prevailing wage project.

Pacific West Builders, Inc. reserves the right to reject any and all bids.
